LOGNOTE -- Chief, Operations Group, 21 November 1985

2. Following from today's staff meeting:

25X1

- GEHA is being modified to cover children ages 21-26.
- DDS&T is concerned about promotion of women and minorities. Some procedure is likely to be introduced calling for lists of minority candidates to be reviewed to fill position vacancies. It may also happen that filling positions at the GS-14 and above level will become career panel business to be reviewed by the Career Panel.
- The college placement directors will be here in February. We may be asked to provide a speaker.
